Business NOW Checking

This account is specifically designed for sole proprietors, non-profit organizations, clubs, associations, and any other non-individual entities eligible to maintain an interest-bearing account.

- Interest is accrued on daily balances.
- A monthly fee of \$5.00 is waived if an average balance of \$500 is maintained throughout the statement period.
- By federal law, this account is not available to corporations, partnerships, or LLCs.
- Account activity incurs charges of \$0.50 per check processed over 50, provided the average balance of \$1,000 is not maintained.

Commercial Checking

This account is tailored for corporations, partnerships, and limited liability companies. The key features include:

- An earnings credit, calculated monthly based on the checking account balance(s), which can be utilized to reduce or eliminate fees.
- A standard monthly fee of \$12.
- Charges associated with account activity are as follows:
 - \$0.20 per check processed.
 - \$0.12 per item deposited drawn on Bank of New Hampshire.
 - \$0.20 per item deposited not drawn on Bank of New Hampshire.

Business 100 Checking

This account is tailored for corporations, partnerships, and limited liability companies with low-volume usage. The key features include:

- No monthly fee.
- No charges for deposits or deposit items.
- A minimum opening balance of \$100.
- No earnings credit.
- Account activity fees apply based on usage: \$0.50 per check processed beyond the first 100 checks.

Account Analysis

A monthly statement that provides your business with an itemized listing of average account balances, monthly fees, and earnings credit. By clearly showing the relationship between balances and monthly fees, it provides the costs to maintain the account, or if the fees are waived due to account balances and the earnings credit.
